### WARNING STATEMENT

Use for protection while cutting, grinding or where protection from small flying particles or liquid splatter is needed. Do not use this protector where torch welding, torch cutting, electrical arc welding or any other operations which produce harmful levels of infrared radiation. This protector is not intended for use with infrared radiation or to protect against laser light unless otherwise specified. To prevent serious eye injury, check with your supervisor or safety personnel to be sure you are not being provided adequate eye protection.

This high performance protector with polycarbonate lens and temples is impact resistant but NOT unbreakable. Clean and inspect frequently. Exposure or contact with some chemical vapors or liquids may cause surface grazing and reduce impact resistance. Discard immediately when crazing, pitting or scratches reduce vision.

NOT RECOMMENDED FOR RACKET SPORTS, SHOOTING OR SIMULATED WAR GAMES. FAILURE TO FOLLOW ALL OF THE WARNINGS AND INSTRUCTIONS MAY RESULT IN SERIOUS PERSONAL INJURY INCLUDING BLINDNESS AND DEATH!

### Meets ANSI Z87.1-2015

**Wearing Instructions:** In putting on this protector, use both hands to pull the temples apart enough to guide them safely into a comfortable position so the protector fits securely.

**Cleaning:** Wash with mild detergent in warm water. Rinse clean and remove excess water with soft tissue or cloth. DO NOT use ammonia, alkaline cleaners, solvents or abrasive cleaning compounds. Store in a clean, dry area.

WARNING: This product can expose you to chemicals including BPA which is known to the state of California to cause birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
