

**BencoDental**

# iris

## Caries Indicator

- Glycol-based formulation designed to chemically soften and aid in the removal of carious dentin
- Selective caries removal helps eliminate infected dentin while preserving healthy inner dentin
- Minimally invasive approach supports conservative tooth preparation
- Improves clinical control during caries excavation for predictable results

**10ml bottle-green**  
[6890-831]

**4-1.2ml syringes-green**  
[4006-826]
