

SOCKIT GEL

SOCKIT GEL® MAKES YOUR PRACTICE BETTER

As a patient-centered dental practice, you are committed to delivering the highest standard of care and patient comfort as possible. And Sockit Gel—an all-natural, FDA-approved treatment for all oral wounds, is the perfect solution for improving outcomes with your patients and your practice. With over 12 years in-market and a million-plus units sold, Sockit Gel has been proven time and again by dentists worldwide to be effective in both pain management and acceleration of healing from oral procedures.

INCREASE YOUR PRACTICE REVENUE BY ADDING AN INSURABLE ALTERNATIVE TO DRUG PRESCRIPTIONS.

PROVIDE A NATURAL ALTERNATIVE TO PAIN MANAGEMENT AND REDUCE OPIOID LIABILITY EXPOSURE.

REDUCE POST-OP VISITS AS YOUR PATIENT TAKES IT HOME FOR CONTINUED POST-OP CARE.

To order your introductory 5-pack kit of Sockit Gel, contact your preferred sales rep.

**"Sockit Gel should become a standard of care for all tooth extractions and oral procedures."
- Scott D. Benjamin, DDS**
