The screenshot displays the 'TREATMENT MANAGER' interface. At the top left, the title 'TREATMENT MANAGER' is visible. The top right navigation bar includes links for 'Treatment Overview', 'Promotions', 'Help', 'Contact', and 'Signout', along with a phone icon and the number '+49 2104 80041-00'. The 'SCHEU' logo is positioned in the top right corner. Below the navigation bar, three main menu items are shown: 'Patient' (with a person icon), 'Choose Treatment' (with a list icon), and 'Order Request' (with a shopping cart icon). The 'Patient' menu item is highlighted with a white arrow pointing to a large light blue area containing two white cards. The first card, titled 'SELECT PATIENT', features a list icon and a red 'Select' button. The second card, titled 'CREATE PATIENT', features a double arrow icon and a red 'Select' button. A small white button with a double left arrow is located in the bottom right corner of the light blue area.

The screenshot displays the 'TREATMENT MANAGER' interface. At the top left, the text 'TREATMENT MANAGER' is visible. The top right navigation bar includes links for 'Treatment Overview', 'Promotions', 'Help', 'Contact', and 'Signout', along with a phone icon and the number '+49 2104 80041-00'. The SCHEU logo is positioned in the top right corner. Below the navigation bar, there are three main icons: 'Patient' (with a person icon), 'Choose Treatment' (with a list icon), and 'Order Request' (with a shopping cart icon). The 'Choose Treatment' section is highlighted with a light blue background. In the center of this section, a product card for 'MEMOTAIN' is displayed. The card features a large white 'M' on a teal-to-pink gradient background, with 'MEMOTAIN®' written below it. Underneath, the title 'LONG-TERM RETAINER' is followed by a descriptive paragraph: 'A precise long-term retainer made of Nilinol, which effectively prevents recurrences and ensures lasting stability of the tooth position through simple handling.' At the bottom of the card is a red 'Select' button. A dashed blue box highlights the 'Select' button, and a circular blue icon with a hand cursor is overlaid on the bottom right of the card.

The interface displays a grid of six diagrams for selecting tooth ranges. The top row is labeled 'UJ' (Upper Jaw) and the bottom row is labeled 'LJ' (Lower Jaw). Each row contains three diagrams representing different tooth ranges: '2-2' (two teeth on each side), '3-3' (three teeth on each side), and '4-4' (four teeth on each side). The '3-3' diagrams are highlighted with a dark background, indicating they are the selected option. A 'Next' button is located at the bottom right of the selection area.
